Dear Joanne:

I want to thank you on behalf of all the residents of Boys Probation House, their families and the staff for your thoughtful and generous donations this past Valentine Holiday.

I can tell you the gifts of books, toiletries, socks, games etc were overwhelmingly received by the boys. I think you will be able to see this most clearly in the enclosed letters written in their own words. We appreciate your support of the program through these generous contributions.

Again, Thank you.

Sincerely,

To the Section of Paralegals

Thank you for donating bags of books and hygienic items to us. We are overwhelmed by your consideration and are very grateful. All the residents were excited when receiving the gifts, especially the books, because we now have something we will enjoy reading during our spare time. Once again we all thank you for your kindness and appreciate the fact that you took your own time to come here and donate these things to us.

Sincerely,

Dear: Paralegal Department

We want to thank you for the gift bags. It really helped us out a lot, we are really thankful for the kindness you shared. Just to let you know we are really grateful for the gifts. It showed us that other people really go out of there way to help us, by donating things like books, body wash, toothbrushes, and socks; which will help us in life. By sharing this act of kindness with us, our spirits were lifted. It also got us thinking what we could have done in the community other than commit crimes. We also could have given back to the community by doing positive things and also caring like you cared for us. On the behalf of Boys Probation House unit B we are grateful for the gifts and love you shared with us. By sharing and caring for us it opened our eyes to see that people are kind and loving towards kids who have made poor decisions.

Sincerely, Unit B

To whom it may concern,

I am writing as a thank you for the gift bag. It is really appreciated. The books are great and they will help pass the time by while we are in here at BPH. The hygiene items will also come in handy. I would also like to say that I am writing this thank you letter because I am thankful for the gift bag and the time you al took out of you busy schedule to come out here, not because I am being forced to write this. Once again I would just like to thank you for your time and compassion.

Sincerely,

Dear bar Association,

I would like to thank you for your generous gift bag, it was full of great hygiene supplies I will definitely use. The socks were great and I needed a new pair. Again, thank you for your thoughtful gift bag.
